Note

The present grant-in-aid of the Hassan Students' Home is Rs 35 per mensem Please see serial No. 64 of the file The D.I. now recommends that this may be raised to Rs 45 per mensem There are now 27 boarders The increase in the No. of boarders has necessitated the employment of an additional servant on Rs 10

No manager has been recommended The amount will have to be met from the general savings if the proposal is sanctioned

When an increase of grant was applied for for the Tumkur students Home it was remarked by the 1st Councillor that intermediate applications should be discouraged in the absence of any budget provision

General and Revenue Departments,
Bangalore

SIR,

I have the honour to inform you that a grant-in-aid of Rs 25 a month was being paid to the Students' Home Hassan and it was raised to Rs 35 a month by Government Order No 9937-8 Ed 7 42-96 dt 66-98 of the 25th February 1899 with effect from 1st October 1898 At present the following establishment is maintained

| | | |
|---|---|---|
| 1 Cook | on | Rs 12 |
| 1 Waterman | " | 10 |
| 1 Peon | " | 6 |
| 1 Woman | " | 4 |
| 1 Sweeper | | 3 |
| | Total | Rs 35 |

The number of boarders having risen to 27

27 and the Head Master expecting a further increase, the single Cook and the single Waterman now attached to the Home cannot be expected to do justice to their work in satisfying the needs of such a large number of boarders. The appointment of another Cook is quite necessary and he will undertake to help both the Cook and the Waterman Under these circumstances I recommend that the grant-in-aid of the Students' Home, Hassan may be raised from Rs 35 to 45 a month for the purpose of employing a 2nd Cook and that the increased grant may be met from the General Savings of the Education Budget and ordered to be included in the budget of 1900-1901

I have the honour to be,
Sir,
Your most obedient servant

SIR

I have the honour to furnish below the information called for in your docket No 10237/Ed 412 dated the 12th March last regarding the Students' Home at Hassan

× postup

(1) The fee levied from each boarder was originally Rs 6 a month but it was subsequently raised to Rs 6½.

(2) With reference to the question whether there will not be an increase in the income from fees when there is an increase in the number of boarders, I beg to state that the amount of fees levied from the boarders just covers the charges of feeding them what little

savings there may arise in good months
being spent to meet deficits in bad ones
No part of the fees paid by the boarders
can therefore be used towards the cost
of maintaining the establishment of the
Home without prejudice to their health
and comfort

2 With reference to the Second
of your docket under reply, I beg to state
that the rate of fee payable by the
boarders cannot be raised beyond a
certain point without narrowing the sphere
of usefulness of the Home. The Headmaster
says that most of the students who board
in the Home are the sons of parents whose
income ranges from Rs 15 to 25 a month,
and that the fee cannot be further raised
The parents feel it a hardship to have to pay
the fee even at the rate of Rs 6½.

3 I would also point out that according
to the principles which were settled after
discussion and laid down in para 2 of Government
Order No 6771-72 dated 11th December 1897 × Sl. No 25 of Ed. F 42-96
Ed. F 42-96
the cost of establishment of the necessary servants
is paid from the Government grant.

4 Under the above circumstances I request
that the increase from Rs 35-45 a month recommended for employing
an additional Cook may be sanctioned

I have the honour to be,
Sir
Your most obedient servant,
H J Bhabha
Inspector-General.
